## **Adult Education Grant Process**

### **Consideration:**

The Charity Board has decided to offer Adult Grants for those desiring to return to college to obtain their GED, Real Estate License, enhance their computer skills, and/or receive other accreditations, certificates or degrees. The CFEC Educational Charity Board has set aside \$20,000 (10 -- \$2,000 Grants) to be used by cooperative members or those living in their household.

It is the initial thoughts of the CFEC Educational Charity Board that an applicant may only receive one grant. However, over time the Board – depending on interest and relative success of the program – may reconsider this approach.

### **Process:**

Members, who are at least 25 years of age, would fill out an application and submit to be awarded and paid for in the following way:

- On satisfactory submission of applications to colleges or programs, signing up for various classes, sessions, or events, fifty percent of the grant would be paid directly to the Member/Applicant;
- On completion of the course work, the final payment – final payment equal to the amount of the first payment up to but not more than \$1,000 -- would be made directly to the member who was awarded the grant to assist in covering various expenses;
- If above was for a semester of college classes, then completion would be end of semester. If for a course, event, scheduled training, etc. it would be on the conclusion of the stated training or class.

### **Timelines:**

Applications must be submitted on or before December 4, 2023 to: CFEC, Attention: Adult Education Grant, P.O.
