

**CENTRAL FLORIDA ELECTRIC COOPERATIVE, INC.
APPLICATION AND TERMS OF LEASE**

Terms of Lease

The undersigned member of Central Florida Electric Cooperative, Inc (CFEC) requests that CFEC furnish a meter base surge suppression device (MB-SSD) and agrees to lease device from CFEC for a period of 12 months at the rate of \$5.50 per month. After the initial 12 months, the agreement will be automatically renewed on a month-to-month basis unless terminated by either party. The monthly lease charges will be applied to and specified on the member's monthly electric bills. Should the member discontinue electric or surge suppression service prior to the completion of the initial 12 month term of this agreement all unpaid charges for the initial 12 month period will immediately become due and payable. CFEC will remove the meter-base suppression device (MB-SSD) and all manufactures' warranties will be void.

1. Prior to installation of the MB-SSD, a CFEC authorized representative will inspect the home's external electrical grounding system to verify that a proper external safety ground exists at the service entrance (a maximum of 100 ohms will be required). The MB-SSD is an integral part of the sealed electric meter and can only be installed, serviced, or removed by a CFEC representative.

2. All leased MB-SSD's specified in the agreement remains the property of CFEC, and will not be removed from the service location except as specified by CFEC. CFEC is responsible for providing repair or replacement of the MB-SSD specified in this agreement in accordance with the manufacturer's warranty for as long as this agreement is in effect. The standard MB-SSD is equipped with an visual indicator light. Servicing is required if the light is out. Please contact your Cooperative's Member Services Department.

3. At the time of lease or installation the member agrees to pay a \$20.00 installation fee and acknowledges receiving a copy of any manufacturer's warranty statement applicable to the MB-SSD.

4. By signing this agreement the member acknowledges that CFEC makes no warranties or guarantees of any kind, expressed or implied, with regard to the MB-SSD or to the member's property or equipment. While this agreement is in effect, all warranties provided are from the MB-SSD manufacturer and apply solely to the lessee who is a member of Central Florida Electric Cooperative. The member will hold CFEC harmless in connection with the operation, service, and installation of the MB-SSD. In the event the protective effectiveness of this device should be interrupted or fail for any reason, CFEC's sole obligation will be to replace the MB-SSD in accordance with this agreement. Such interruption or failure will not constitute a breach of this agreement, nor will Central Florida Electric Cooperative, Inc., its officers, directors, or employees be liable to the member or to third parties for any damages, which might result from such interruption or failure.

The member understands that this MB-SSD will not protect against direct or indirect lightning strikes beyond the manufacturer's rated energy diversion capability.

The undersigned member and Central Florida Electric Cooperative, Inc. agree to these terms and conditions.
